

Every year we are supported by an 'army' of around 2,000 amazing volunteers and donors, churches, schools, community groups, supermarkets and other businesses without whom many of our projects and services simply would not be possible.

Last year we provided critical support to individuals on over **120.000** occasions.

But there is always more we can do!

How you can help...

We rely totally on the generosity of people who value what we do. You too can help by giving financially to support our work, by volunteering with us, by donating food, or simply by praying for us and the people we are helping. With your help and support we can and will make Bolton a town where everyone can thrive!
